UNIVERSAL GIVING

What is it? Universal Giving (UG) permits donors to pledge to any CFC-participating charity no matter where the donor or the charity is geographically located. Previously, only National, International, and Local charities in our campaign territory were available to receive donors' contributions. With Universal Giving, all Local charities in all CFC regions are accessible to donors. Those donors who wish to stay involved with a favored charity or charities outside the area, can do so through UG.

How does Universal Giving work? The list of UG charities can only be accessed online. UG charities are too numerous to be listed in the paper charity listing. If you wish to donate to a local charity outside our campaign territory, log in to our website at www.cfcgreaternc.org or to the OPM website www.opm.gov/cfc to search for the charity you want to support. Enter the charity's five-digit code on your paper pledge form or the online donation tool of your choice. It's that easy!

Paper Pledging

Paper pledge forms are available through your Federal Agency CFC Volunteer or by calling the CFC office at 336-392-8639. They are also available for download from the CFC website at www.cfcgreaternc.org (scroll over the donors tab).

Payroll deduction, cash and paper check contributions.
